RE: State of Minnesota v. Augustus Q. Light  
Court File 44-CR-20-33

Dear Mr. Light:

Although I have received some of the discovery, I do not believe we have received all of the discovery and I have made a request for further items earlier this week and had not received them yet. After reviewing what the State provided, we are missing the following items:

1. Search Warrant on electronic tracer on your vehicle and log;
2. Audio recordings of interviews taken; and
3. Name of CRI 2, as he claims to have been in your residence in Naytahwaush. Without the State created the nexus to your residence in Naytahwaush any evidence found there may be inadmissible in court. The State is reluctant to provide this information but based upon the police reports this information is necessary.

As your omnibus hearing is scheduled for Tuesday, July 7, 2020 at 1:00 p.m. you may want to request that the hearing be continued to provide for this additional discovery. I am also including some additional discovery that the State has provided to my office this week, but this is not what I had requested as additional, but I have included it herein.

I think someone in our office may have been on the telephone when you called this week as I have not received a call. I will be available Monday, July 6, 2020 from 1 p.m. until 3:30 p.m. and Tuesday, July 7, 2020 from 10:30 a.m. until noon for a telephone call.

Best Regards,
